**Report:** Please answer the following questions in a separate document and attach to this form.

- 1. Evaluation** - Give an evaluation of the project and how you implemented the project at your school using the Keep Denton Beautiful Environmental Education grant. Let us know what parts of your plan worked well, what did not work, and what changes you made to your plan along the way.
- 2. Personal Stories** (optional) – We want to know how your project has impacted your school! Did a student really shine while working on this project? Did they come out of their shell or make new friends? Did they discover new leadership skills? Please share any stories of student lives that were touched by this project. Better yet, let the students tell their story in their own words!
- 3. Contributions** - Please describe any in-kind donations, local partners involved, and other grants received for use on this project.
- 4. Sustainability** - How did you develop your program to ensure it is sustainable for your school?
- 5. Volunteer Resources** - Please list the total:  
# of student volunteers  
# of adult/faculty volunteers  
# of hours of all volunteers – Ex: (2 vol. x 10 hrs ea) + (3 vol. x 5 hrs ea) = 35 hrs total

**Supplemental materials:** Please attach photos and supporting materials, e.g. copy of receipts, expenditure summary, and any endorsements or accolades received. Please consider digital images, which are ideal for Keep Denton Beautiful marketing materials, brochures and pamphlets.

You may submit your report & supporting materials via e-mail to [jannibah@KDB.org](mailto:jannibah@KDB.org) or mail to:
